

TOOLS FOR LIFE TRAINEE QUESTIONNAIRE

Name*:

Telephone number:

Address:

Email:

*If under 18, please only fill in your first name and note your guardian/key worker details instead.

No qualifications or experience are needed to be a trainee on the 'Tools for Life' programme, but we do expect full commitment, and trainees to make the most of the opportunity.

Why do you think the 'Tools for Life' programme would be important to you? And how would it benefit you?

The Tools for Life programme is not a destination, it's a step forward – you won't be on the programme forever, though we hope you will remain involved with the tool library. For this reason, we want you to set a goal for your involvement – what do you want to achieve while you are with us, and how will you know you have got there?

Is there anything important that we need to know to make sure we support you in the best way possible? (health conditions, diet, allergies, personal circumstances) Please note, if you prefer to talk about this in person, that's totally fine.

In the unlikely event of an emergency, who should we get in contact with? And what's their phone number?

Finally, how did you hear about us?

Once you have filled in the application, please email it to chris@edinburghtoolibrary.org.uk, with the heading 'Tools for Life Trainee Application'. Those that are successful at this stage will be contacted and invited to an informal chat with a tool library staff member and potential mentor. Please let us know if there are any particular arrangements needed for this meeting (e.g. accessibility, location, dates).

Thanks for your time,

The Tooligans
