Saws

Typical Saws - price per inch, to give you an indication

	Teeth per inch	Sharpening	Resetting	Resetting + sharpening
		Price per inch		
Panel saw	**7**	£1.00	£1.00	£2.00
Tenon Saw	**15**	£1.50	£2.00	£3.50

NB: we can't sharpen saws with hardened teeth
(most modern saws are hardened for longer life)

These prices are for guidance only and we may charge more if there is more work than usually expected, though we would let you know beforehand.
